

PROPOSAL :

Pre-Qualification of Electrical Erectors (HV & MV)

Project: Upcoming TSG Project

Building with
safety, Quality
and Integrity

INTRODUCTION

Tenaga Switchgear Sdn Bhd (TSG), a subsidiary of Tenaga Nasional Berhad (TNB). This Pre-Q exercise aims to identify competent and experienced contractors with strong technical capabilities, sufficient resources, and commitment to execute High Voltage (HV) and Medium Voltage (MV) electrical installation works in accordance with TNB requirements and industry standards.

SCOPE OF WORKS

The Pre-Q exercise covers electrical erection and installation works related to:

- HV and MV (primary and secondary installation)
- Power and control cable laying works
- Cable termination and jointing works
- Equipment erection and alignment
- Earthing and lightning protection system installation
- Testing and commissioning support
- Compliance with TNB safety, quality, and environmental requirements

SUBMISSION REQUIREMENTS

Contractors are required to submit all relevant documents in link below :

https://partner.mytsg.com.my/inventory_suppliers/pre_q/pre-qualification-of-erection-contractors

ELIGIBILITY CRITERIA

Valid CIDB registration (G4/G5)

- Relevant electrical licenses and certifications
- Proven track record in HV and/or MV electrical works
- Experience in utility, substation, or infrastructure projects
- Adequate technical manpower and tools/equipment
- Compliance with Malaysian's regulatory and TNB's safety and environmental requirements

CLOSING DATE

All submission must be received by

10 JUNE 2026
(WEDNESDAY) BEFORE 5PM
