TNB to launch one-stop portal

KUALA LUMPUR: Tenaga Nasional Bhd (TNB) is launching a one-stop portal at www.mytnb.com.my at the end of this month to enable customers to carry out transactions "without borders".

TNB said in a statement that its 8.6 million customers could make various transactions and access information they wanted.

"During the system transition period this month, minor hiccups may

occur for several transactions.

"However, our staff are ready to assist and will try their best to reduce the hiccups," said TNB.

Transactions that can be made include supply applications, change of tenancy and closing of accounts.

The others are the depositing of refunds in a shorter period, which will be debited directly into the customer's bank account, and bill payments. **Bernama**
