Malakoff resumes Perak plant operations

KUALA LUMPUR: Malakoff Corp Bhd's subsidiary, GB3 Sdn Bhd, has commissioned and resumed commercial operations at its 429MW open cycle gas turbine power plant in Lumut, Perak on Oct 7. The milestone comes almost three months ahead of the scheduled commercial operation date of no later than Jan 1 under its new power purchase agreement (PPA) with Tenaga Nasional Bhd. The GB3 plant was last in service in December 2022. The new PPA will run until Dec 31, 2029.
