## Pekat wins RM31mil TNB contract

**PETALING JAYA:** Pekat Group Bhd's indirect 60%-owned subsidiary, EPE Switchgear (M) Sdn Bhd, has secured a RM31.32mil switchgear maintenance and repair job from Tenaga Nasional Bhd (TNB).

In a filing with Bursa Malaysia, the solar energy firm said EPE Switchgear will undertake the maintenance, servicing and repair works of air insulated switchgears and gas insulated switchgears, including supply and installation of spare parts, as per TNB's requirements and specifications.

"The contract shall be effective from Aug 1, 2025, being the date of the letter of award or LoA. The contract period will be two years from the effective date, with an additional option for another one year."

Pekat Group added that the duration for each particular service will be based on the purchase order issued by TNB.
