MYTNB SEES 50% HIKE IN NEW USERS

KUALA LUMPUR: Tenaga Nasional Berhad's (TNB) portal and apps, myTNB, recorded an increase of nearly 50% in new user registration since the movement control order (MCO) was enforced on March 18. "New user account registration through myTNB increased to 3,331,156 from March 18 to May 3, as many stay-at-home customers opted to conduct their various TNB-related transactions using the portal and apps," said TNB chief retail officer Megat Jalaluddin Megat Hassan. All of TNB's 125 Kedai Tenaga outlets and self-service payment kiosks nationwide are temporarily closed due to the MCO. However, bills calculated based on the previous month's usage (estimated bill), must still be paid. – Bernama
