TNB SECURES RM144M FINANCING FOR LSS JOB

PETALING JAYA : Tenaga Nasional Bhd(TNB) has secured a financing of RM144 million for its large scale solar (LSS) project in Bukit Selambau, Kuala Muda, Kedah. Its wholly owned subsidiary and special purpose vehicle for the project, TNB Bukit Selambau Solar Sdn Bhd (TBSS) has reached a financial close with MUFG Bank (Malaysia) Bhd in relation to the financing of the project. "This LSS has a generation capacity of 30 megawatt (MW) with DC install capacity of 45MWp. The national utility corporation's first LSS in Kuala Langat, Selangor (currently in operation) has a generation capacity of 50MW with DC install capacity of 78MWp," TNB said in a statement.
