## UUE wins jobs worth RM92mil

**PETALING JAYA:** UUE Holdings Bhd has secured RM92.4mil worth of contracts through its wholly owned subsidiary, Kum Fatt Engineering Sdn Bhd (Kum Fatt), via an existing agreement with Komasi Engineering Sdn Bhd.

In a statement, the group said the existing contract covering the installation, testing and commissioning of 11kV underground cables and accessories within Tenaga Nasional Bhd's or TNB distribution network in the east coast region has been renewed, with an additional value of RM13mil. The project is scheduled for completion by June 2026.

Kum Fatt was also awarded three new contracts worth RM79.4mil from Komasi Engineering. With these, UUE's total contract wins for 2025 stand at RM184.5mil.
