## TNB staff raise over RM1.57m for needy

**KUALA LUMPUR:** More than RM1.57 million has been collected from Tenaga Nasional Bhd (TNB) employees through salary deduction for the TNB Prihatin Citizens Fund (WTP) since last month.

TNB chairman Datuk Seri Mahdzir Khalid said from the total, more than RM1.14 million has been distributed to about 1,900 recipients in Peninsular Malaysia.

He said the staff had volunteered for a certain amount of their salary to be deducted for June and July for the fund.

The collection has been distributed to the poor, single mothers, the disabled, senior citizens as well as those who have lost their jobs and source of income," he said in a statement yesterday.

He said earlier this year, TNB contributed nearly RM9.5 million to more than 10,000 recipients from the B40 group to finance the rebuilding and repair of their houses, as well as provide food and basic necessities including pocket money.

Mahdzir said there were TNB staff in several states who also carried out their own initiatives in providing assistance to the local community, especially those affected by the implementation of the movement control order.

Among them were staff from Kluang TNB in Johor, who set up the "Gerobok Rezeki", as well as staff from Kemaman TNB in Terengganu, who started a food bank initiative.

TNB employees at its subsidiary, Kapar Energy Ventures Sdn Bhd at the Sultan Salahuddin Abdul Aziz Power Station in Kapar, Klang also set up food banks at selected shops in Kampung Tok Muda, Serdang and Pekan Kapar.

"These noble efforts by our employees reflect a deep understanding of the company's concern and support in fulfilling its corporate responsibility to help the community," he added. - Bernama
