MN Holdings bags RM71m TNB contract

KUALA LUMPUR: MN Holdings Bhd's unit, MN Power Transmission Sdn Bhd has secured a RM71.02 million contract from Tenaga Nasional Bhd (TNB) to set up a new 132/33 kilovolt (kV) Blue Valley transmission main intake in Cameron Highlands, Pahang.

In a filing with Bursa Malaysia, MN Holdings said the contract was awarded on Aug 12, 2026.

"The works include the supply, erection, installation, testing and commissioning of the new transmission main intake with double busbar arrangement, complete with relevant primary, secondary and all associated civil works," it said.

MN Holdings said the contract commenced on Aug 12, to be completed 900 days from that date.

It added that the contract is expected to contribute positively to the future earnings and net assets per share of the company. —Bernama
