Bintai Kinden unit bags RM18m contract

BINTAI Kinden Corp Bhd's wholly owned subsidiary, Kejuruteraan Bintai Kinden Sdn Bhd, has been awarded a RM17.98 million contract by Kajima (M) Sdn Bhd to provide electrical and extra-low voltage (ELV) services for the construction of a logistics centre in Shah Alam, Selangor.

The electrical and ELV services for the project involve two phases. The first comprises one

block of two-storey warehouses with offices on the mezzanine, one block of two-storey offices with a cafeteria, one guard-house, one waste depot, and one Tenaga Nasional Bhd's substation with utility building. The second comprises two blocks of two-storey warehouses with offices on the mezzanine and two units of waste depot.

The project is expected to be completed by March 2018.
