Kuala Lumpur will host EVM ASIA 2020 - the Region's No.1 Electric & Hybrid Vehicles, Technology and Parts & Components Expo at MITEC, Kuala Lumpur from 24-26 March 2020.

Themed "The Future of E-Mobility", this is the first event of its kind in the region and will set the direction of the mobility industry of the future.

The Expo will include the whole e-mobility ecosystem including the latest electric and hybrid cars, buses, trucks and bikes, auto parts, accessories and EV charging technology.

Hosted by MIGHT, MARii and the Electric Vehicle Association of Malaysia, major sponsors include ABB, Big Blue, Charge N'Go, Go Auto/Haval, Nissan, PLUS, Proton, Schneider, Tenaga Nasional Bhd/Charge EV and Toyota. New launches, test drives and great promos for passenger and commercial vehicles awaits visitors.
