Boost Bank and TNB team up to reward customers

PETALING JAYA: Boost Bank, Malaysia's first home-grown digital lender, has partnered with Tenaga Nasional Bhd (TNB) to help customers save more and get rewarded when managing their electricity bills through daily high-interest savings and cashback.

From June 4 until Aug 31, new Boost Bank customers can unlock the exclusive TNB Jar, which offers 3.5% per annum daily interest on savings.

To unlock the TNB Jar, customers simply need to

create a Boost Bank account and pay a minimum of RM50 on their TNB bill using the Boost Bank debit card or through the Boost Wallet app.

To maintain the TNB Jar throughout the campaign, customers need to continue paying their TNB bill with a minimum of RM50 each month via the Boost Bank Debit Card or the Boost Wallet app.

All Boost customers can also receive RM3 cashback with their TNB bill payments. Until

July 31, customers need only pay a minimum of RM50 towards their TNB bill via the Boost Wallet app.

The RM3 cashback will be credited into a dedicated Partner Wallet within the app and can be used to offset their next TNB bill (higher than RM50). Each customer is only entitled to two rewards throughout the campaign, and is limited to the first 5,000 customers on a first-come, first-served basis.
