## Jati Tinggi bags RM25.5 mil job from TNB to lay cables for data centre

KUALA LUMPUR (Jan 16): Infrastructure and engineering company Jati Tinggi Group Bhd has won the tender for a RM25.5 million contract from Tenaga Nasional Bhd (TNB) to lay underground double-circuit cables for a data centre in Selangor. Jati Tinggi secured the project via its wholly owned Jati Tinggi Holding Sdn Bhd. The contract is expected to be completed within 270 days from the commencement date, said Jati Tinggi in a bourse filing on Thursday. The company provides engineering services and solutions for underground and overhead utilities. Jati Tinggi's share price settled half a sen or 1.15% higher at 44 sen on Thursday, giving the company a market capitalisation of RM172.39 million. Over the past one year, the counter has gained more than 30%. — *by Emir Zainul*
