# More challenges await UniKL

**KUALA LUMPUR** — UniKL players have been told to keep their feet firmly on the ground even though they are leading the Malaysia Hockey League (MHL).

The stern warning came from experienced former player Baljit Singh who is aware overconfidence can lead to the downfall of any team.

“We have to be realistic and not think too much about the six points, but rather the nine points that are at stake this week,” said Baljit.

“We need to keep up the winning momentum and I have reminded the players to keep their feet firmly on the ground as we have a tough road ahead.”

UniKL will take on TNB Thunderbolts today before playing UTM on Friday and KLHC on Sunday.

On paper they should be able to beat TNB Thunderbolts and UTM, but KLHC are a different proposition.

“We have two good penalty corner specialists in Najmi Farizal and Aleem Bilal, but we are still unable to create enough penalty corners,” said Baljit.

“We also need to be more lethal as we tend to miss sitters and put undue pressure on ourselves,” he added.
