JS Solar in RM18mil EPCC contract win

PETALING JAYA: JS Solar Holding Bhd has secured a letter of acceptance from GSPARX Sdn Bhd for engineering, procurement, construction and commissioning works and battery energy storage system at AEON Mall Seremban 2, worth RM18.05mil.

In a filing with Bursa Malaysia, JS Solar said the contract will be effective from the date of the letter of acceptance. “The completion period for the contract will be six months, commencing on Aug 19, 2026 until Feb 19, 2027.”

Barring any unforeseen circumstances, JS Solar said the acceptance of the letter of acceptance is expected to contribute positively to the earnings, earnings per share and net assets of the company for the financial year ending March 31, 2027.

“The letter of acceptance and the project will not have any effect on the issued share capital or substantial shareholders’ shareholdings of the company,” the firm said.
