## JomPAY rewards 376 winners with prizes worth more than RM500,000

**KUALA LUMPUR:** A total of 376 lucky winners of 'JomPAY Drive Home A BMW' campaign had took home prizes worth more than RM500,000, yesterday.

The grand-prize winner, K. SkanthaDevan won a BMW car while other winners will have their bills such as Telekom, Syabas (Syarikat Bekalan Air Selangor Sdn Bhd), Tenaga Nasional Berhad (TNB) or Astro paid for up to one full year.

The campaign was launched in conjunction with JomPAY's First Anniversary, last April.

Malaysian Electronic Clearing Corporation Sdn Bhd (MyClear) managing director, Peter Schiesser said the 100-day campaign received overwhelming response from customers, hence demonstrating JomPAY's appeal

as a convenient mode for paying bills for all segments of consumers nationwide.

"In the 18 months since the launch of JomPAY in April 2015, we have enrolled 1,013 biller codes in JomPAY. Bill payment volume in the first nine months of 2016 has grown more than 50 per cent compared to 2015 and we expect the growth momentum to continue," he said in a statement yesterday.

JomPAY is Malaysia's national bill payment scheme established and operated by MyClear, with the participation of banks and over 1,000 billers.

Peter said starting January 2017, consumers can also make JomPAY payments via automated teller machines (ATM) in the country.

"JomPAY is a convenient, fast

and secure way of paying bills and invoices and they also can 'JomPAY' anytime and anywhere through the Internet banking and mobile banking of their preferred banks," he said.

JomPAY is used for payment collection by all telecommunications providers in Malaysia, major utilities and satellite television providers, 25 insurance companies, government agencies, schools and non-profit organisations.

Among others are city councils and local authorities in the Klang Valley and Sabah, including more than 40 local councils throughout the country; water operators in 10 states and airlines.
