# TNB clinches top awards at APBSP 2023

**KUALA LUMPUR:** Tenaga Nasional Bhd (TNB) has clinched major accolades at the Anugerah Penarafan Bintang Sasaran Penting (APBSP) 2023 for its unwavering dedication to national security and energy transition.

The utility firm said its National Load Despatch Centre (NLDC) bagged the top recognition with the 5-Star award for exemplary expertise in running electricity supply operations smoothly and safeguarding critical national assets.

The Sultan Azlan Shah Power Station in Bersia, Perak, was also honoured with a 5-Star award, alongside two 4-Star awards bestowed upon TNB's main intake substations in Bukit Tambun,

Penang, as well as Chuping in Perlis," it said in a statement.

APBSP 2023 was organised by the Office of the Chief Government Security Officer under the Prime Minister's Department.

TNB president and chief executive officer of Datuk Seri Baharin Din said the company will continually monitor the security of its major assets nationwide, prioritising prevention capabilities, incident management, and addressing evolving security risks.

He added that the NLDC ensures a balance between electricity supply and demand by maintaining an exceptional level of safety and protection management at the centre.
