# Opportunities aplenty

UNIVERSITI Tenaga Nasional (Uniten) will be hosting an Open Day at its Putrajaya campus on June 25-26 from 9am to 4pm.

Parents and students are encouraged to join the Open Day at the Administration Building to learn more about what the university has to offer, from stellar programmes to financial assistance opportunities.

The university's academic and non-academic staff will be present to assist and guide prospective students by providing relevant information on the institution.

Students will be able to benefit from the Open Day by obtaining pertinent information and advice on the programme offered directly by Uniten's academics from various colleges such as the College of Energy Economics and Social Sciences, College of Engineering, College of Computing and Informatics, College of Business Management and Accounting and College of Graduate Studies.

Students will also be privy to an array of financial assistance opportunities and can consult representatives from Yayasan Tenaga Nasional, Yayasan Canselor Uniten and Tabung Amanah Zakat Uniten too.

Take advantage of the open interview sessions that will be held for the Huffaz Professional programme, which is open to applicants of engineering, computer science, accounting and corporate management programmes.

Besides that, the university will have special offers for visitors such as on-the-spot offer letters for eligible prospective students.

To celebrate Uniten's 25th anniversary, the university will be offering a RM2,500 rebate on tuition fees for successful candidates.

As one of the top universities, Uniten has proven itself through its rankings in the US News & World Report, where it ranked 227th in the Best Global Universities 2022 for

Uniten's Open Day will offer insights into its stellar programmes and financial assistance opportunities.

Engineering. Uniten has also ranked first in the world in the "percentage of highly cited papers among the top 1% most cited in Engineering".

Uniten has also garnered placement in the QS Asia University Rankings 2022 and ranked 144th in Asia, while in the Times Higher Education Asia University Rankings 2021, it ranked third among private universities in Malaysia and ninth among universities in Malaysia.

In the Times Higher Education Young

University Rankings 2022, it ranked in the 251-300 band in the world, second among Malaysian private universities and fourth among universities in Malaysia.

■ Students who are looking for an opportunity to further their studies are welcome to join Uniten's Open Day weekend, where they can interact directly with Uniten academics.
