## SESB to contribute RM1 million to Health Ministry

**KOTA KINABALU:** Sabah Electricity Sdn Bhd (SESB) will contribute RM1 million to the the Health Ministry (KKM).

The initiative is implemented through the cooperation of Tenaga Nasional Berhad (TNB) and KKM which had established a collaboration group named "Corporate Malaysia Against Covid-19 Action Coalition" recently.

SESB as a subsidiary of TNB will take part in the effort by contributing RM1 million. This support is part of SESB's initiative to combat Covid-19 which has begun to make its presence in Malaysia and especially in Sabah.

"Every day we hear of sad news of more Malaysians contracting the disease and SESB realises the importance of ensuring the resources of government hospitals continue to be enough to address the rising number of Covid-19 patients," said SESB acting managing director, Datuk Abdul Nasser Abdul Wahid, in a press statement.

He said it is hoped the contribution can assist in purchasing medical and health equipment needed by KKM to combat Covid-19.

He reminded that the war against Covid-19 requires a united front.
