Sarawak Cable wins TNB project worth RM81.37m

PETALING JAYA: Sarawak Cable Bhd's wholly owned subsidiary Trenergy Infrastructure Sdn Bhd has received a letter of acceptance from Tenaga Nasional Bhd (TNB) for a RM81.37 million project.

The project is for the double-circuit 500kV overhead transmission line from Alor Gajah to Bahau South in Malacca.

The project is expected to contribute positively to the earnings and net assets of the Sarawak Cable group for the financial years ending Dec 31, 2017 to Dec 31, 2019.
