Strong Elegance signs deal with TNB

KUALA LUMPUR: Strong Elegance Sdn Bhd, a company in which Scomi Group Bhd has a 30% equity interest, has sealed a power purchase agreement with Tenaga Nasional Bhd.

Under the agreement, Strong Elegance would undertake to develop a 30MWac Large Scale Solar Photovoltaic Power Plant at Bandar Sungai Petani, Kuala Muda, Kedah, on a build-own-operate basis.

"The power purchase agreement has an expected commercial operation date of Dec 31, 2018," Scomi said in a statement.

It added that the agreement governed the sale and purchase obligations of the energy generated by the project between Strong Elegance and Tenaga Nasional for 21 years from the commercial operation date. — Bernama
