TNB Remaco expands power plant maintenance op

TENAGA Nasional Bhd (TNB), through its subsidiary TNB Repair and Maintenance Sdn Bhd (TNB Remaco), is expanding its power plant maintenance operations in Kuwait. TNB Remaco has entered into a joint venture with Al Dhow Engineering in Kuwait and signed a long-term service agreement with General Electric Global Services. The collaboration is focused on providing maintenance solutions for the gas turbine at the Shuaiba North Power Generation and Water Distillation Plant in Ahmadi, owned by Kuwait's Electricity, Water and Renewable Energy Ministry. — TMR
