8 Petroleum Nasional Bhd (Petronas), in collaboration with the World Economic Forum (WEF), organised the Malaysia Energy Roundtable in Kuala Lumpur on July 10 to facilitate a public-private discussion on the future of Malaysia's energy landscape, and to foster an effective energy transition while balancing the priorities of energy security, economic growth and environmental sustainability. Attending the event were (from left) WEF head of future of energy and materials Roberto Bocca, Petronas president and group chief executive officer Tan Sri Wan Zulkiflee Wan Ariffin, Energy, Science, Technology, Environment & Climate Change Minister Yeo Bee Yin, Energy Commission chairman Datuk Ahmad Fauzi Hasan, and Tenaga Nasional Bhd chief strategy and regulatory officer Datuk Fazlur Rahman Zainuddin.
