

## PRESS STATEMENT

S.A. 2020/01/03 (HQ)

### TNB CUSTOMERS ENJOY 2.5% INTEREST ON DEPOSIT

As practiced each year, customers of Tenaga Nasional Berhad (TNB) will earn a 2.5% interest per annum (or known as rebate) on their electricity security deposit.

The interest, as provided under the Electricity Supply Act 1990, will be credited into their bill in January.

With the yearly interest, the security deposits of TNB customers will increase over time. This is because the interest is calculated based on the accumulated balance of the deposit.

However, the rebate is only given to deposit paid in cash. Customers, whose deposit exceed RM2,000 have the option to pay deposit either in cash or bank guarantee.
