

## **SIARAN AKHBAR PRESS STATEMENT**

---

**S.A. 2015/03/37 (HQ)**

### **TNB DOES IT'S BIT FOR EARTH HOUR**

Tenaga Nasional Berhad (TNB) will switch off essential lights in all its building nationwide tomorrow in support of Earth Hour.

For the past few years, the national electric utility corporation has embarked on various energy efficiency and demand side management initiatives to optimise and manage customers' electricity demand.

It continuously strive to adopt clean and environment-friendly technology in electricity generation.

TNB's 8.6 million customers can also do their part in saving the planet by utilising energy efficient appliances and practising the habit of using electricity wisely.
