TEMPORARY POWER TRIP IN BANGSAR

Tripping at the Pantai Main Substation causes temporary power failure at the greater Bangsar area in the evening today.

Power was restored in stages in just three minutes from the time the outage started at 6:34pm.

Supply to the majority of the affected areas have been restored within an hour.

Works are ongoing to reconnect supply for some areas of Bangsar Village which is still without electricity.

The cause of the tripping is still being investigated.
