TNB REMACO WINS 5TH BEST PRACTICES AWARD

Tenaga Nasional Bhd's repair and maintenance arm, TNB Repair and Maintenance Sdn Bhd (TNB Remaco), won the prestigious Frost & Sullivan Best Practices Award for the 5th consecutive year in a ceremony held in Kuala Lumpur recently.

TNB Remaco was dubbed the Power Plant Service Provider Of The Year by Frost & Sullivan in recognition of its powerful brand name, legacy of market leadership and constantly evolving service portfolio.

Frost & Sullivan's Best Practices Awards honour companies throughout a range of regional and global markets for superior leadership, technological innovation, customer service, and strategic product development.

Its industry analyst team benchmarks market participants and measures their performance through independent, primary interviews, and secondary industry research in order to evaluate and identify best practices.

The award was presented to TNB Remaco's Managing Director, Anuar Yusoff by Frost & Sullivan Malaysia's Managing Director, Hazmi Yusof.

A wholly-owned subsidiary of TNB, TNB Remaco's markets extend beyond Malaysia with presence in Pakistan, Kuwait and Saudi Arabia. The company has also been awarded and completed jobs in Vietnam, Singapore, Brunei, Indonesia, Myanmar, Chile and Argentina.

It currently employs 1,040 employees and generated RM1 billion in revenue last year.

Released in Kuala Lumpur on April 18, 2016
