TNB's SUBSIDIARY SHINES AT THE ASEAN ENERGY AWARDS 2017

TNB Janamanjung Sdn Bhd, a wholly-owned subsidiary of Tenaga Nasional Berhad (TNB) won the ASEAN Coal Awards 2017 at the recently held 35th ASEAN Ministers on Energy Meeting (AMEM) in Manila.

The award, under the category of Clean Coal Technology with generation capacity exceeding 500MW, is in recognition of TNB Janamanjung's adoption of best practices In Clean Coal Use and Technology.

With an installed capacity of 3,100 megawatts, TNB Janamanjung Is the peninsula's largest independent power producer. Its four plants located on a man-made island in Lumut Perak.

TNB Janamanjung's Managing Director, Datuk Shamsul Ahmad received the award from the ASEAN Centre Of Energy's Executive Director, Ir Sanjayan Velautham at the SMX Convention Center, Pasay City.

This year's Asean Coal Award is the second for TNB Janamanjung as it had won a similar award in 2013 in recognition of best practices in corporate responsibility and Publicly Available Specification (PAS) 55 Certification.

The ASEAN Energy Awards is the 10-member States' recognizing body for best practices in the region's energy industry development.

Released in Kuala Lumpur on October 1, 2017 at 11.00 am
