

## **SIARAN AKHBAR PRESS STATEMENT**

**S.A. 2018/03/15 (HQ)**

### **TNB SECURES FIRST FOUR SPONSORS FOR CEPSI 2018**

**Tenaga Nasional Berhad (TNB)**, the official host of the internationally prestigious Conference of the Electric Power Supply Industry (CEPSI) 2018, is pleased to announce the first four confirmed sponsors of the conference.

“We are very proud to have ABB, Schneider Electric, PT CG Power Systems Indonesia and Tai & Chyun Industries Inc on board, as our early sponsors,” said AESIEAP 2017/2018 Secretary General, Datuk Wira Roslan Ab Rahman.

“Having specialist energy companies as early bird premier sponsors reflects CEPSI as the must attend event for the industry players.”

Roslan added that registration for individual and group for CEPSI 2018 is now open.

“Those who registered by 25th June 2018 will enjoy our special early bird rate. Please visit our website at [www.cepsi2018kl.org](http://www.cepsi2018kl.org)”.

More than 1,500 delegates, comprising industry leaders, senior executives, government officials and professional experts from all over the world – are expected to attend the 22nd edition of CEPSI.

It will be held at the Kuala Lumpur Convention Centre from September 17-22.

**Released in Kuala Lumpur on March 13, 2018 at 10.30 am**

## **About CEPSI**

CEPSI is the most prominent and prestigious electricity supply industry conference in East Asia and the Western Pacific region.

The conference cum exhibition is under the patronage of the Association of the Electricity Supply Industry of East Asia and Western Pacific (AESIEAP).

## **About CEPSI 2018**

With the chosen theme – “Reimagining Utility of the Future” – the conference will focus on the current scenario of how the electricity supply industry is transforming in response to the emergence and convergence of technology disruptions, economic shifts, evolving sustainability and regulatory requirements, and increasing customer expectations.

It will also address some topics such as megatrends, sustainability, energy trilemma, digitalisation and a smarter future.

TNB is the host for this 22nd CEPSI. The last time TNB hosted CEPSI was in 1996.

## **About the first four sponsors**

**ABB** is a pioneering technology leader that works closely with utilities, industry, transportation and infrastructure customers to write the future of industrial digitalisation and realise value.

**PT CG Power Systems Indonesia** is a manufacturer of Power Transformers and Auto Transformers.

**Tai & Chyun Industries Inc.** is an engineering firm that caters for industry needs for electrostatic precipitator (ESP) after sales services.

**Schneider Electric** is a global specialist in energy management and automation with operations in more than 100 countries.
