S.A. 2018/03/16 (HQ)

KeTTHA AND TNB DISCLAIM ANY RELATIONS WITH COINZER

The Ministry of Energy, Green Technology, and Water (KeTTHA) and Tenaga Nasional Berhad (TNB) would like to advise members of the public that the two are not affiliated or in any way connected with a cryptocurrency platform, called Coinzer.

The usage of KeTTHA's and TNB's name in Coinzer's white paper and website is misleading as the ministry and the national electric utility corporation have neither authorised nor endorsed it.

KeTTHA and TNB also wish to advise that their name and logo should not be used without proper authorisation by any third party.
